

EMERGENCY

RALLY

to save
Bay Area
transit

9 AM
Monday,
Sept. 8

@ San Francisco
Civic Center Plaza

Transit services that the Bay Area depends on face massive cuts unless Governor Newsom follows through on his commitment to deliver a **\$750M emergency loan** from the state—a **promise made in July with only days left to fulfill.**

Join us for a rally and march to send the message loud and clear: **This is an EMERGENCY** and Governor Newsom needs to make good on his commitment.

Bring signs and costumes that help highlight that Bay Area's health is imperiled and Governor Newsom must provide this essential lifeline!
